Compliance Verification Strategies

Assessors may seek to verify compliance with this standard by using one or more of the strategies listed below. There may be other strategies identified by the agency which could also be acceptable.

1. A copy of the written directive is available for review.
2. Agency records pertaining to incidents involving the pursuit of motor vehicles are available for review to demonstrate compliance with the policy.
3. Interview(s) with patrol officers, dispatchers, and supervisors to verify their understanding of agency policy and their designated role in a pursuit situation.
