Institute**

# Facilitated Discussion

What resonates? How can you use it?

Which of these 10 sparks something for your agency's work?

What's one small way you could begin weaving it in?

# **Y-FACTS: Updates & What's Ahead**

# Y-FACTS Data Center

Updates & Current Activities

## Onboarding

Getting up to speed with foundational aspects for the Center.

## Vision / Forecasting

Based on the mission stated in the MOU, what do we envision? How do we get there?

## Hubs & Mini-Grantees

Current activities to support the field and prepare for the Hubs.

## Data Drives Change

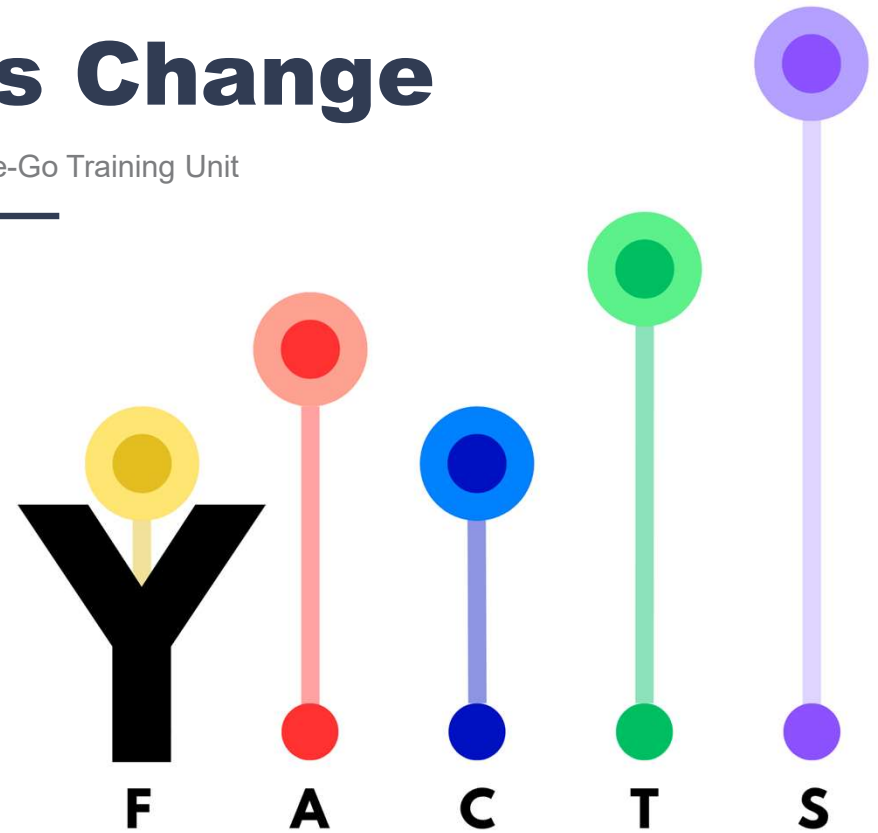

Getting the van ready for eventual tours.
